

TITLE 228 - DEPARTMENT OF LABOR

CHAPTER 37 - PERMANENT RIDES

- 001. This chapter is adopted pursuant to Neb. Rev. Stat. §48-1803.
- 002. A ride permanently erected in an amusement park shall be set on properly designed and constructed foundations or footings and secured to these footings in a manner to prevent shifting, tipping, swaying, or erratic motion. Cement, brick, or similar type blocks shall not be permitted.
- 003. The provision pertinent to erratic motion or sway does not apply to a ride designed to permit flotation characteristics or flexibility.
- 004. Use of wood shim blocks shall be kept to a minimum.
- 005. The area surrounding the ride shall be clear and kept free from trash and tripping hazards.
- 006. A daily inspection of the ride motion and footings shall be made.
